# WELCOME

Greetings!

Ever since **IMPULSE!** was born (over 20 years ago now!), we've been a company that is all about color. Even as we have dabbled in the world of neutrals and soft tones, we always find ourselves creeping our way back into a world of fascinating pantone combinations. Colors, textures and always an urge to "mix and match" in unexpected ways just seem to define our DNA.

In our latest collection of tabletop offerings, you'll find so many new additions that are full of color and personality. Personally, I'm a huge fan of our new dinnerware collections as they add such spirit and bold design to any tabletop decor. I love the creative sense of passion that lies just beneath every glaze, and the human touch that is so apparent in every piece. I'm truly fascinated by so many new **IMPULSE!** creations that you'll discover in the pages that follow – and I hope you find a collection that defines you, your brand, and most importantly, that adds a touch of excitement to your world.

Let's celebrate our return to good times. Let's rejoice in our health and happiness. And in typical **IMPULSE!** style, let's all raise a glass to welcome unbridled beauty into our homes, hotels, restaurants and other venues where we spend time with family and friends.

Enjoy your journey and thank you so much for making us a part of it.

Warmest regards,
